

Pine Rivers State High School

"By different ways to excellence"

4 August 2019

Dear Paul

Thank you very much for bringing your Burragun Aboriginal Cultural Services to Pine Rivers State High School for our NAIDOC week celebrations 2019. We thoroughly enjoyed the experience and were impressed with your ability to engage our students.

I would like to personally thank you for your choice of activities and the topics covered: Aboriginal Tools of Survival and artefacts, Aboriginal Art and Story Telling, Didgeridoo and Clap Sticks and Traditional Games. Your program provided our Aboriginal and Torres Strait Islander students with a wealth of knowledge using your culture to engage and entertain.

Feedback from the PRSHS Indigenous Unit was extremely positive and a credit to your organisation. Our students were highly engaged and demonstrated respect and admiration for you and assisting staff and we were highly impressed.

I would also like to thank you for working with our Indigenous Support Unit. We hope to be able to keep you as a contact of support for our school community in the future.

Yours sincerely

Kylie Brown
