

## **St Ambrose's Outside School Hours Care**

*Strengthening Families, Supporting People and Communities*

**21<sup>st</sup> January 2016**

To whom it may concern,

Paul Craft has facilitated an Aboriginal Country Kin Culture Incursion twice over the past three years during January Vacation Care here at our service. I can not recommend highly enough the fantastically, engaging program that Paul provides with passion and a great sense of humour. He is extremely flexible in his delivery.

He offers a diverse, professional experience as he shares his Aboriginal Culture through stories, games, craft and language with the children and staff alike.

Yours Sincerely  
Julianna Rogers  
Coordinator
